

# South Street Seaport Museum ~ Membership

Thanks to the dedicated support of our members and volunteers, the South Street Seaport Museum offers unique hands-on education programs in social studies, history, crafts, and marine ecology. Members also help to maintain and preserve the Museum's fleet of historic ships; maritime art and artifacts; and its 19th-century working collection of movable type and printing presses. In return, members enjoy many benefits, including discounts on programs, *PIONEER* Sails as well as Bowne Printers and Bowne & Co., Stationers' in-store purchases.
