

## **2015 summer internships available at Hawk Mountain Scout Reservation**

If you are looking for summertime internship opportunities, to enter the outdoor recreation job market or a similar or supporting career field, completing an internship at Hawk Mountain Scout Reservation is a great way to gain experience and build your resume. Here you will serve in a rewarding position where you can be a positive force in the development of future leaders while having fun with a purpose. Hawk Mountain Scout Reservation offers several opportunities for paid and non-paid internships; the summer internship season begins June 12 and ends August 8.

Hawk Mountain Scout Reservation has provided internship opportunities to students who attended Shippensburg University and Kutztown University. Hawk Mountain Scout Reservation has also partnered with McCann School of Business and Technology.

Although many of the internship positions focus on the outdoor recreation program, other opportunities are also available. If there is an intern subject area that you are interested in and it is not listed, please contact us to see if we can offer you and your school that particular area.

Internships are available in the following areas:

- Business Administration/Management
- Organizational and Program Development
- Food Services
- Science, Technology, Engineering, Mathematics
- Ecology/Conservation
- Public/Community Relations
- Maintenance Management
- Media/Marketing Operations and Development

Feel free to contact David Muldowney or Kathryn Tylka at 570.754.7552 or email David at [david.muldowney@scouting.org](mailto:david.muldowney@scouting.org) if you have any questions.
