Dear Sally,

On behalf of the Board, staff and volunteers of Crayons to Computers (C2C), thank you for Impact 100's third grant installment of \$25,000, received 2/4/2014.

As we mentioned in our previous letter, our Mobile Outreach Program is quickly coming to life! Last week we purchased a 15-foot truck, which will soon be outfitted to transport school supplies to teachers and students in more distant counties.

We have included a pair of photos with this letter from the day of purchase. The top photo shows Susan Frankel in front of the truck with Walt Sweeney at the dealership of purchase, while the bottom photo shows the Crayons to Computers staff posing as soon as the truck made it to its new home. Later that day, we featured these photos on our social media platforms, earning "likes" from many Crayons to Computers followers!

We are also in the process of adding a Mobile Outreach Program blog to our website. Through this blog, followers will be able to track the development of the program. We will keep you informed and provide links to the website as soon as the blog is up and running.

We continue to be very grateful to Impact 100 for your continued dedication to this project. Thank you for all of your support.

Sincerely,

Susan Frankel
