We anticipate a large number of participants and **recommend calling in at least 15 minutes early** to ensure ample time for participants to be connected to the call. If multiple people from your organization plan to call in, please consider participating as a group and using a single phone line to join the call.

In an effort to answer as many questions as possible, please **email your questions** ahead of time to emergencypartners@cdc.gov. Please use the subject line “**11/13 Business Health Executive Call.**” You may also contact CDC at 800-CDC-INFO (800-232-4636) any time with questions about Ebola or other health questions.

How to Join and Participate in the Call:

1. Dial (800) 369-3345 if you are calling from the United States, or +1-312-470-0182 for international participants. You will be greeted by a Live Operator.
2. Please say the verbal passcode “Ebola” to the Operator upon request.
3. The operator will request information from you for a Participant List so that we can keep track of our meeting participants.
4. You will then be placed in a “Listen Mode” until the meeting starts
5. Near the end of each update, a question and answer period will be available; dial (*1) to be identified with a question/comment
6. We encourage you to email your questions to emergencypartners@cdc.gov ahead of the call.
7. If you need further Operator assistance is needed during the call, dial (*0)
