**O**n a late Spring afternoon, imagine two families departed for Disney World. **They were very much alike**, these two families.

**Both** had two children, **both** had middle class incomes, and **both** lived in the same neighborhood.

Both families took the same flight to Disney World. Both stayed at the **same luxury 5-Star Disney World resort**.

Both families attended the same shows and events, and  
ate at the same restaurants.
