If you are just starting out in horseback riding or considering getting into it, then this might be one of the most important letters you read. The information presented here has been compiled after years of studying and discovering about horses, riders and all the things they need to know about horseback riding. **It is normal for anyone just starting out to have lots of questions, be somewhat fearful and at times confused about how to start and learn the right way.**

This book takes you as a beginner, who knows nothing about horses, and gently leads you through all phases of riding, horse care, grooming and much more. It completely prepares you for your first real riding lesson **so you start with knowledge, understanding and confidence when you mount the horse for the first time.**

This is a fun, no-fluff, Beginner's Horseback Riding manual that shows you:
