Dear Fellow *Department 56* Collector:

Have you ever considered why it is so enjoyable (and important) to make memorable and beautiful displays with your *Dept 56* houses?

I can think of five reasons for this:

• ***Dept 56* Collections are Simply Beautiful and Interesting to Show**

The *Dept 56* collection of houses and accessories are beautifully designed and always interesting. These artists obviously put a great amount of time and thought into designing the pieces, and never miss adding that unique touch of character to each of them. The finished products leave no doubt about their efforts.

The *Dept 56* pieces are simply gorgeous whenever, or wherever, they are displayed, whether it be individually, in a vignette, or in a large display. Since the pieces are so unique and beautiful, it's
