

Lee County Regional Days in Tallahassee

Join us when we travel to Tallahassee **March 25-27** to take the Lee County message directly to our Legislators.

The trip includes: Bus ride (with refreshments) to Tallahassee; hotel accommodations; meetings with our House and Senate delegation; the opportunity to watch the House and the Senate in session and so much more.

NEW FOR 2014: We are proud to continue to partner with FGCU in an effort to promote regionalism by building bridges, not borders. Former FGCU Board of Trustees member Adam Corey has recently taken ownership of Tallahassee's hottest nightspot, 101 Restaurant & Lounge. The traditional legislative dinner will take place there and we will be joined by FGCU President Wilson G. Bradshaw and FGCU alumni. Don't miss this exciting opportunity and latest addition to an exciting agenda of politics, networking and fun!
