ATRC Open House

Low Vision Product Demonstration

The Assistive Technology Regional Center (ATRC), a MassMATCH program, will have Michael Jones demonstrating the latest low vision products devices from HIMS Inc. If you or someone you know has macular degeneration, glaucoma, diabetic retinopathy, inoperable cataracts, or other visual impairment, a HIMS product may help them retain or regain their independence and quality of life.

When: Thursday, Jaunuary 8, 2015

Time: 1:00 am - 2:00 pm

**Where: Easter Seals Techology Center, NPC Building 1st floor, 89 South St.
Boston, MA 02111**

Cost: Free

Contact: Cathy Bly at 617-226-2634 cbly@eastersealsma.org for further information.
