Dr. Pat McManus
President/CEO
Black Health Coalition of
Wisconsin

W. Curtis Marshall MS
Healing Black Men
Minneapolis, MN

When boys and men of color succeed, our community succeeds. So, how can we help make that happen?

Two of Wisconsin's foremost experts on this important issue present ways those who work with black families can build resilience in men, young and old, with the goal of helping them succeed in spite of many unfavorable and unfortunate circumstances.

A question-and-answer session will be held immediately following the program.
