

Benevolence

by: Adam Kelsey

It is a Big World on this Small Planet, & I want you to know that I am Thankful we Share it, Together. My Name is Adam Kelsey; I sit as your Benevolence Chair.

Being Thankful is Good to speak about, but defining it is more of a task than we might give thought to. Take the word “appreciation-A full understanding of a situation.” How often do we have a complete sense of appreciation?

Knowledge and Love are a growing form; it is because we have not reached perfection that we might strive for it.

In our day to day life we look for things to begin & end, it's how we count the clock. Our options are much wider than that, we can find endless joy in every moment we touch.

But what defines us? How do we cultivate the Best of our selves & support those around us to have the option to do the same?

By reaching out, finding a way to raise the people we can. By maintaining a standard of interaction. By seeking the plateaus of our standard & supporting others on their journey to it.

As Benevolence, I would like to reach out to you, to give praise and acknowledgement to your Journey. I would enlist you to present me with friends & Family who would benefit from a card & encouragement.

You may contact me, or any of the board members.

My Email is, Benevolence@amtaky.org

Thank You! Be Blessed.
