

American Cancer Society Institutional Research Grant Call for Applications

The American Cancer Society has awarded an Institutional Research Grant to Virginia Commonwealth University, Massey Cancer Center. Grant applications are now being invited from junior faculty for the award of small research grants of up to \$30,000 for one year to perform basic, pre-clinical, clinical and cancer-control research studies (including but not limited to health services, psychosocial/behavioral, epidemiologic and health policy/outcome cancer research). These grants are intended for new investigators (within six years of first independent academic appointment) who do not have an active, nationally competitive research grant (e.g., from NIH, NSF, ACS).

Deadline for Submission is April 28, 2014

Application instructions and forms are available at <https://www.massey.vcu.edu/research/funding/acs-institutional-research-grants/> or contact Leigh Sprague at lsprague@vcu.edu or at 628-3420.
