*DID YOU KNOW...?*

**Did you know that...** national research indicates churches with annual "Estimate of Giving" or "Commitment" campaigns in the fall or spring dramatically improve their giving?

Did you know Herb Miller's "New Consecration Sunday" nationally and in West Ohio Conference consistently provides a percentage improvement in estimates of giving in the double digits? Twenty plus percent has been a common increase!

Did you know the focus of New Consecration Sunday is on the need of the member to give not the need of the church to receive?

Did you know New Consecration Sunday emphasizes giving to God not the church thus advancing the path of Discipleship?

Did you know New Consecration Sunday utilizes a non-intrusive system to encourage movement for family units in the church toward the tithe?

Did you know New Consecration Sunday utilizes an outside Guest Leader to assure the plan is implemented as designed which dramatically increases the probability of a double digit percent increase in estimates of giving?

Did you know several districts recommend New Consecration Sunday as their preferred annual campaign program?

Did you know this summer the Council on Development is conducting a New Consecration Sunday orientation for Guest Leaders? Did you know these names will be on the West Ohio Conference website ([www.westohioumc.org](http://www.westohioumc.org)) so you can select a person you know, respect and is in close proximity to your church?

Did you know the New Consecration Sunday Stewardship Program book with Guest Leader Guide & CD-ROM is required reading for Crucible and Local Pastor's Licensing School?

Did you know I'm speaking from 30 years of experience having utilized the original Consecration Sunday and then the New Consecration Sunday?

Did you know this is not a Herb Miller promotion but a program that works? You can obtain materials through Cokesbury, Amazon.com and a number of other sites.

Please do not hesitate to call or E-mail to obtain more information so we can serve you!
