**Rollins Road Reconstruction
Lane Reconfiguration Begins September 24th**

Round Lake Beach, IL - The Lake County Division of Transportation will be restricting turn movements at Rollins Road, Lake County Route A-20, and Illinois Route 83 starting Wednesday, September 24, 2014, at 6 A.M. Eastbound and westbound traffic on Rollins Road will be moved to the newly constructed lanes under the temporary bridge at Illinois Route 83 and the newly constructed bridge carrying the Canadian National Railroad over Rollins Road west of the intersection. Northbound and southbound traffic on Illinois Route 83 will continue to use the existing temporary bridge over Rollins Road. This will restrict ALL turn movements at the intersection. Intentions are to reopen the turning movements at Rollins Road and Illinois Route 83 by the end of November, pending weather or any other unforeseen circumstances.

- The signed detour route to access Illinois Route 83 from eastbound Rollins Road will be Hainesville Road to Washington Street to Illinois Route 83.
- The signed detour route to access Illinois Route 83 from westbound Rollins Road will be US Route 45 to Washington Street to Illinois Route 83.
- The signed detour route to access eastbound Rollins Road will be Illinois Route 83 to Washington Street to US Route 45 to Rollins Road.
- The signed detour route for westbound Rollins Road will be Illinois Route 83 to Washington Street to Hainesville Road.
