Today, you will be traveling on the picturesque Amalfi Drive, considered one of the "Top 10" Drives in the world. Enjoy a full-day excursion exploring the "Three Pearls" along the stunning Costiera Amalfitana: First is **Positano**, which sits on one of the most beautiful stretches of coastline in the world. Its enchanting town center of delightful pastel-hued houses surrounds the parish church of Santa Maria Assunta, its laneways are lined with quaint, colorful shops and its numerous beaches are world famous. Next is **Ravello**, situated in a more elevated position than the other pearls of the Amalfi Coast, boasting exceptional views of the coast and its marvelous villas and gardens. Then enjoy **Amalfi**, with its history which dates back to both the Roman and Byzantine Empires. Its characteristic white houses make it one of Italy's most famous resorts. (B)

### DAY 4: SORRENTO (ROME OPTION)

Today is a day at leisure. **Sorrento** has attracted many poets and literary men such as Goethe, as well as musicians like Pinelli, Fernet and Lindstrom. unique archeological site. This city was frozen in time when it was covered by volcanic ash during the eruption of Mt. Vesuvius in A.D. 79. Pompeii is now a World Heritage site. Its excavation has provided many treasures and a glimpse back in time of life during the height of the Roman Empire. **[Chamber Discoveries Feature]** On our return, we stop and enjoy a "Limoncello" in Sorrento. No other liqueur can be directly traced to its roots as Limoncello. The lemon based, traditional yellow liqueur is produced from the special lemons of Sorrento and Capri. The origins may be traced as far back as fisherman fighting off the cold. The growth, collection and meticulous production is an interesting process which we will learn during our visit to a local facility. (B)

### DAY 6: NAPLES

Today we will travel to **Naples**. As the capital of the Campania region, Naples is known for its rich history and art. ### DAY 7: SORRENTO (CAPRI OPTION)

to **Capri**. Sail across the bay of Naples for the start of an unforgettable day. First you will have time to visit villa S. Michele of Dr. Axel Munthe, a Swedish doctor whose best selling book "Story of San Michele" tells of his time on Capri. His villa was built with the remains of Roman ruins; there is a beautiful shady garden with terrace offering splendid views of the island. You then go down to Capri town, which is very chic with shops, hotels and restaurants along winding streets. The main square Piazza Umberto has a pretty white church and several open-air cafes where you can sit and watch the world drift by. Leading off the square are medieval looking alleyways and arcades full of shops selling the handicrafts of the island. Admire the colorful gardens of Augustus overlooking the famed Faraglioni Rocks and Marina Piccola where Gracie Fields once lived. Then you will have time to see the Blue Grotto if you wish before returning to Sorrento. Tonight, we will enjoy a farewell dinner at a locally renowned restaurant. (B,D)
