

Southeastern Wisconsin

2014 AUTISM SUMMER SYMPOSIUM:

Literacy for All! Strategies to Support Emerging Readers on the Autism Spectrum

Participants will learn the basics for teaching students with Autism Spectrum Disorders literacy skills by providing comprehensive instruction, using evidenced-based practices and strategies based on the Four Block reading method.

Thursday, August 7th, 2014 8:30 AM TO 4:00 PM

Waukesha Area Technical College, Richard T Anderson Education Center

800 Main Street, Pewaukee, Wisconsin

\$50 member course fee, \$75 non-member course fee

Course Objectives:

As a result of this workshop, participants will be able to:

- state the core challenges students with Autism Spectrum Disorders experience that impact literacy and their ability to access curriculum and standards;
- learn how to write meaningful standards-based IEP goals and objectives with examples that take into account student's challenges;
- Employ effective literacy strategies for struggling and emerging readers with Autism.

WHO IS THIS SYMPOSIUM DESIGNED FOR? This symposium is designed for individuals who want to better support emerging and struggling readers with Autism Spectrum Disorders. This includes: special and general education teachers, reading specialists, tutors, family members and others interested in learning more about evidence-based practices in the area of Autism Spectrum Disorder

Online registration available for individuals paying by credit card via our website: www.assew.org, click on Educational Programs
