

## CCV Website Training, Wednesday, February 5

Cape Cod Volunteers is holding a training for staff and volunteers of Cape Cod nonprofits who want to learn about volunteer recruitment through using the Cape Cod Volunteers website. The [Cape Cod Volunteers website](#) provides an online matching tool for nonprofits to list their volunteer opportunities and a place for Cape Codders to search for openings that match their interests.

The training is designed to provide a brief overview of the website followed by an opportunity to complete a posting with CCV support so that nonprofits can walk away with a finished product. This is also an opportunity to learn more for those organizations that are already on the CCV website and have questions or want to feel more comfortable using the online tool.

The training will take place on Wednesday, February 5 from 1:00 to 3:00 at Mashpee Public Library, 64 Steeple Street in Mashpee. The training is free, but advanced registration is required. Please call Cape Cod Volunteers at 508-362-0242 or [e-mail](#) us to register.

## Volunteer Coordinator Roundtable, March 12

The next Volunteer Coordinators Roundtable will take place at Mashpee Public Library on Wednesday, March 12th from 12:00 to 1:30. The topic will be Volunteer Recognition in preparation for National Volunteer Month in April. We're planning a panel discussion, so bring your ideas, questions, successes and challenges! This is a brown bag lunch; please bring your own lunch and CCV will provide beverages and a snack. [Please e-mail](#) to let us know if you are planning to join us!

Cape Cod Volunteers' **mission** is to link people with meaningful opportunities for volunteering on Cape Cod. We do this by informing Cape Codders - residents and visitors alike - about the many opportunities, programs, and agencies that exist in our community, and by helping people identify their own interests, skills, talents, and passion for service to the community.

The **vision** of Cape Cod Volunteers is to create a network of organizations and opportunities that will inform, inspire, and engage people of all ages and backgrounds in strengthening our community through volunteering.
