

She gets her hair
from her mom.
Her eyes from her dad.
And her drugs
from her grandma's
medicine cabinet.

70% of people 12 and older who abuse prescription drugs get them from family or friends.

Safely dispose of unwanted medications by dropping them in the MedReturn kiosk in the lobby of your local police station. It is open 24/7 and no paperwork is needed.

Help keep prescription drugs away from our youth and out of our water supply.
