Friday, May 16, 2014

8:00 a.m. – 3:30 p.m.

Cape Codder Resort, Hyannis, MA

*Barnstable County Human Services is proud to host its next Aging and Disability forum on Friday, May 16th. And thanks to a generous sponsorship from Cape Cod Healthcare, this forum will be an all-day conference!*

As part of the *Navigating the Long Term Services and Supports System for Older Adults and People with Disabilities* series, this conference is perfect for professionals or community members interested in learning more about local resources and local solutions.

Attendees will be able to tailor their day by choosing to participate in three breakout sessions. Each session will focus on specific areas of concern identified by past attendees as the major issues facing the aging and disabled communities on Cape Cod today.

- ✓ Multiple breakout sessions with panel presentations and interactive workshops
- ✓ Q+A for legal topics, insurance needs, chronic disease self-management, mental health concerns, dementia, and other pressing issues
- ✓ Fantastic slate of local experts available in the "Expert Room" to answer questions and make connections
- ✓ Five (5) CEUs – pending approval – for nurses, social workers, mental health counselors, and nursing home administrators

*Keep an eye out for registration info in early March!*
