

Palmira Golf and Country Club

Golf Cart Standards Policy

Precedent Club Car and Permitted Accessories

In the interest of Palmira golf cart conformity, the following revised Policy is in effect for Palmira golf carts as of June 1, 2014.

Initial Inspection: The Pro Shop will inspect Golf Carts when a member requests an initial trail fee sticker. If the Golf Cart does not comply with Policy, a sticker will not be issued by the Pro Shop.

Trail Fee Sticker: Golf Carts require a trail fee sticker each year to indicate that the current member trail fee has been paid. A current sticker will be required for a cart to be operated anywhere on the golf course.

Golf Cart Insurance: It is recommended that all members obtain at least \$5,000 in physical loss and liability insurance as a separate policy or rider to homeowner's insurance and scheduling on umbrella policy (if any). Cost for this insurance will be less than \$100 per year.

Standard Equipment: Model Year 2008 (OR NEWER) BEIGE PRECEDENT PROFESSIONAL CLUB CAR including the following standard equipment:

Cart speed limited to 20 mph or less, canopy top, sweater basket, automatic charger, heavy duty batteries, headlights, taillights, brake lights, electric horn, optional turn signals, standard tires in good operating condition, bag well liner, scuff guards, Precedent standard wheel covers (no spinners), one or two sand bottles and/or one sand bucket, refreshment cooler, folding windshield, forest green club protector.
