

## Preserving the Precious for Arbor Day

Troop 2043 honored Arbor Day by Planting Trees at the State Farm Bakersfield Sports Village.

Arbor Day was founded in 1972 to inspire people to plant, nurture, and celebrate trees. Throughout the years, Arbor Day has encouraged people, young and old, to take part in this worthy cause to help beautify the community. Arbor Day is usually observed in the spring; the date varies, depending on climate and suitable planting season. Trees were provided by the sports village while a total of fifty of them were planted by the Girl Scouts. Girls also received patches provided by the Bank of the Sierra to wear proudly in honor of this day.
