## Fall 14 Be a Reader Activity Poster PARTICIPATION FORM

Girls are doing great things in their communities every day. As a Girl Scout, what are your goals this year and how will you "dive in" to get started? We would love to hear your plans and share them across the U.S. to inspire and encourage other Girl Scouts. In your own words, please complete the section below and return to your Group Leader by **Oct 21st** for consideration.

All Girl Scouts selected to be featured on the Be a Reader Activity Poster will be informed by early November.
