

# Cesar E. Chavez DAY OF SERVICE 2014

Join us for our annual Cesar E. Chavez day of service. Schools, organizations and volunteers will participate in service work and improvement projects to help restore Cesar's spiritual and emotional haven from the daily struggles of "La Causa." This memorable day will help educate participants on the values of community service, action, social justice and non-violence as taught by Cesar E. Chavez and Martin Luther King Jr.

"We cannot seek achievement for ourselves and forget about progress and prosperity for our community...Our ambitions must be broad enough to include the aspirations and needs of others, for their sakes and for our own."

- Cesar E. Chavez 1991

Date	Location	Time	For More Information
