CONFLICT TO COLLABORATION

Learn how to provide support and direction to conflict situations while building a collaborative environment through shared values. Enable everyone involved to feel that everything was done to resolve the situation professionally.

Date: Tuesday, February 18, 2014

Time: 6:00PM– 8:00PM

PLANNING:

This module presents an eight step planning process to turn an idea or innovation into a plan of action! Set specific goals and timetables to achieve required results that will motivate proactive planning.

Date: Thursday, March 13, 2014

Time: 6:00PM– 8:00PM

BUILD TRUST, RESPECT, AND CREDIBILITY:

The ability to establish, cultivate, and restore trust is an essential leadership capability. This module looks at the relationship between trust, credibility, and respect and provides principles and tools for restoring broken trust and building a trust-driven work environment.

Date: Tuesday, April 15, 2014

Time: 6:00PM– 8PM
