Mission

The mission of the Smithtown Youth Bureau is to serve as a community resource, dedicated to an active and assertive process of creating the social conditions that promote the well-being of children, youth, and families.

History, Funding, and Support

The Smithtown Youth Bureau was established in 1980. Services provided by the Smithtown Youth Bureau are made possible by funds received from the New York State Office of Children and Family Services, the Suffolk County Youth Bureau, and the Town of Smithtown.

Coalitions

Since 2007, the Smithtown Youth Bureau and Horizons Counseling and Education Center have led a town-wide coalition to reduce substance abuse and increase wellness.

Together with the local school districts, places of worship, businesses, parents, government officials, and other concerned community members, the Youth and Community Alliance of Smithtown has met monthly to plan and promote activities to make the town a safer place for all its residents. The Smithtown Youth Bureau is also a member of the Commack Coalition of Caring and the Hauppauge School District Youth and Community Alliance.

Programs and Services

Outreach and Education

We provide evidence-based programs, workshops, and other presentations, brief counseling, information and referral by phone or in person at our office or other convenient locations in the community.

Parent Resource Center

The Parent Resource Center provides educational workshops, presentations, study groups, referrals, and information. In addition to our location, services can also be provided at schools, churches, or other locations and scheduled at times in order to encourage maximum participation.

Crisis Intervention

The Crisis Intervention Program provides crisis intervention, mediation, referral, and advocacy for runaway, homeless, and troubled youth and their families. For this service, call 360-7595 during office hours.

**24/7 help is available at Response Hotline
