

## SC Summit on STEM and the Arts In and Out of School

September 29 – 30

Chapman Cultural Center

Spartanburg, SC

South Carolina's Coalition for Mathematics & Science and the South Carolina Afterschool Alliance have joined together again to bring a new opportunity for networking, dialog, and information to thought and action leaders in STEM education.

The September 29<sup>th</sup> Pre-Conference will include a SC Stakeholders session sponsored by the National Conference of State Legislatures. Featured panelists include:

- The Honorable Dot Harris, Deputy Secretary of U.S. Department of Energy
- Tom Thompson, Candidate for SC Superintendent of Education
- Molly Spearman, Candidate for SC Superintendent of Education

Other Pre-Conference features include optional tours of STEAM work and learning places and a reception at the Chapman Cultural Center.

The September 30<sup>th</sup> program will feature over 60 interactive presentations on:

- *STEM and Arts or STEAM*
- *STEM and Workforce Development*
- *Afterschool/Informal Learning*
- *Digital Badges* featuring the Smithsonian Institution

Registration for the entire 2-day program is \$125. This fee includes the workplace tour, lunches and reception. See the full program, information on group rate lodging, and register at:
