

STEM Fair (Exhibits and reception)

Thursday, July 24, 2014

5 p.m.-7 p.m.

Women's Policy, Inc., in conjunction with the leadership of the Women's Caucus, is sponsoring its second annual STEM Fair (STEM exhibits and reception) on Thursday, July 24, 2014, from 5-7 p.m., in the Cannon Caucus Room. The event will feature exhibits of model STEM programs for girls and women, and a brief program from 6-6:30 p.m., including women Members of Congress and top sponsors of the event (see below). Invited guests will include Members of Congress, congressional staff, corporate and labor supporters, representatives of women's and STEM organizations, and girls from local Girl Scout troops and Girls Inc. chapters.

Sponsoring companies/unions/nonprofits will be invited to exhibit their STEM education and/or recruitment programs for girls and women (or sponsor a nonprofit organization's exhibit). All sponsors and supporters will be acknowledged in the written and speaking program as well.

Photographs of last year's STEM Fair and reception can be viewed at:
