Special announcement for friends and fans of Michael Webb, world-renowned relationship author and expert

## I just gave away my car

This might just be the best news ever for your relationship - read the story to discover why.

A few weeks ago I heard that a lady at church was desperately

needing to borrow a car for a few days. Her 1992 van had finally died. It was beyond repair. She had no means for replacing it.

She is a recently divorced mother of four and holds down two
