What is eScrip?

eScrip has created a system that rewards customer loyalty by contributing a percentage of purchases made by participating families to school or youth based groups.

Parents, teachers, friends and families are encouraged to register their grocery club cards, and existing credit/debit cards as supporters. A percentage of all purchases made at eScrip merchants will be given back to the designated school or group.

How Does eScrip Work?

Participating merchants contribute each time your families make a purchase using their registered cards. There are no receipts to collect, no vouchers or certificates to buy, no hassles for you and every purchase counts.
