

# 32" x 30" BULK BOX

Versatile and easy to use

Buckhorn's NEW BN3230 industry standard bulk box is the latest development in our broad product line. Available with or without drop-doors in 25" and 34" heights, it's perfect for the manufacturing and automotive industries. The BN3230 provides cost-conscious users with a high performance solution and the best value for their money.

BN323034

- 1,800-lb. capacity
- Available in 25" or 34" heights
- Features non-sequential folding
- Replaceable runners snap into place
- Drop-down doors do not block fork tunnels when open
- Recessed ID tag areas on all four sides of the base
- Flat decoration areas on the panels and doors for labels, cardholders or RFID tracking
- Direct application of decorations to the container saves time and money
- Reduced collapse height for a better return ratio
- Offers a 2.6:1 return ratio—480 collapsed containers fit in a 53' trailer
- Easy to repair—no special tools or fasteners required
- 100% recyclable
