Social media

is a critical element of the marketing mix, but only if it's used effectively. It's not enough to tell followers and fans about your company – *you must engage them.*

Whether you're not sure how to best leverage social media, or simply don't have the time to focus on it, Gibbons Digital will help you increase visibility and market share. Let us make social media work for your business.

visibility

We work with businesses in a wide range of industries, including professional services companies like accountants, lawyers, consultants and electricians, and companies that sell products ranging from flowers to food.

Social media, like business, is all about building relationships. At Gibbons Digital, we build long-lasting partnerships with our clients, based on personal connections and a consistently high level of service.

Flexible range of services, customized to your budget and needs:

- Social media strategy
- Daily presence management
- Customized social media training
- Profile set-up
- Blog writing
- Search engine optimization
- YouTube-style videos

Gibbons Digital Team

Bridget Gibbons, founder and CEO, spent more than two decades consulting to Fortune 100 companies – such as IBM and JPMorgan Chase – before establishing Gibbons Digital in 2008. She is a sought after speaker and educator, presenting to networking groups and teaching continuing education classes on all aspects of social media.

The Gibbons Digital team of social media and search engine optimization experts have years of experience in Internet marketing, and in keeping with the Gibbons Digital culture, an unwavering focus on client satisfaction and customer service.
